

KLEIN OAK SENIOR PLAYER TRIBUTE VIDEO

The Senior players will be honored at this year's Varsity Football banquet with a special tribute slide show featuring photographs of the players in different stages of life.

We would like the parents of the senior players to submit five pictures of your player that represent different stages of their life. These can include pictures of your son as a baby, toddler, elementary or junior high student, and football action shot. We would also like a nice current senior portrait.

The deadline is December 15th for submitting the photographs and this form. Please print your player's name on the CD and enclose this form with the CD in an envelope and submit to Coach Clancy or Coach Furhmann.

The pictures need to be submitted in a digital format (.jpg or .tif) on CD. Pictures can be scanned to CD at most photograph printing labs such as Photo Source, Walgreens, CVS, Walmart, etc.

We would like to extend the opportunity for you as parents to pay tribute to your son as part of the slide show. After each player's pictures, a slide will be shown that will include the players name, number and tribute from parents. Please submit your message to your son on this form. It can be up to 20 words.

Player's Name: _____

Player's Number: _____

Position: _____
