A Message from Tim Corcoran President, Klein Oak Football Booster Club

The Klein Oak Football Booster Club is an association of parents, relatives, and friends whose common goal is to support and encourage our players on and off the football field. As a club we manage such events as the Night of Champions spring game, food and snacks for home pre-season games, weekly in-season meetings, pre-game preparations, Panther website, Panther Profile, and the end-of-season banquet, among a host of other duties. Through membership dues and fundraisers, the club operates and funds additional tools and amenities for the players and coaching staff, which are not funded by the school district. Through participation in sports, our boys are receiving some of life's most important lessons, such as self-discipline, courage, victory and defeat. They are building physical and emotional strength and are learning to push their limits. But most importantly, the boys are learning they can achieve higher goals through **teamwork**. With teamwork, we can also be a more effective booster club. We invite each of you to join the booster club and **get involved**. Become a part of supporting and encouraging not just your player, but all of the players. We look forward to seeing everyone out at the gridiron this spring. Make sure you check our webpage www.kleinoakfootball.com to stay current on football events.
